STAMPEDER

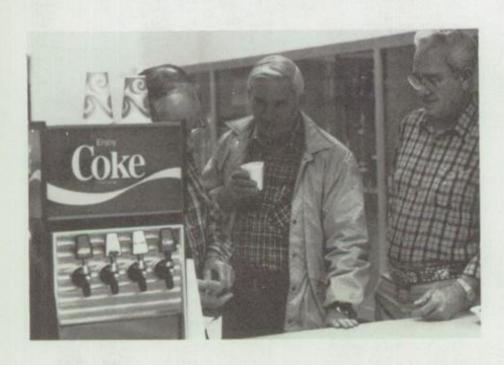

Midland Christian Stampeder Volume XI

#### Dedication

The Stampeder '83 is dedicated to the parents and friends of Midland Christian School who make up the L.A.C.E. & Booster Club organizations. These organizations have had a large part in making M.C.S. the success it is today. We would like to thank these ladies and gentlemen for their hard work and the time they spent in furthering the efforts of Midland Christian School to provide a Christian education.

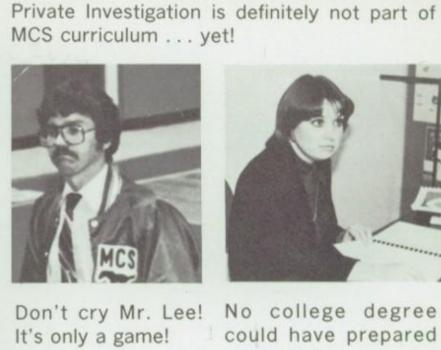

I'm just a laid back, easy-going kind of guy!

This film was SUPPOSED to be Acts!

These grades definitely need help from above!

Don't cry Mr. Lee!

No college degree could have prepared me for this.

Forget your make-up, Miss Hodges?

# Homecoming '82

Homecoming '82 saw a lot of old faces and also some new ones. We welcomed back MCS's alumni as well as new students and new Mustang supporters. Though it was Midland Christian's second homecoming, it was the first year on a new home field. Our fantastic Mustangs put up a good fight though they lost to the Paint Rock Indians by 1 point. Despite the loss, spirits were high and everyone had a wonderful time. Homecoming '82 is one that is sure to be remembered.

1st Place

Preparation for Homecoming '82 began with a sign contest. Junior High and High School students made signs which were judged on school spirit and homecoming support.

Junior High Winner 7b

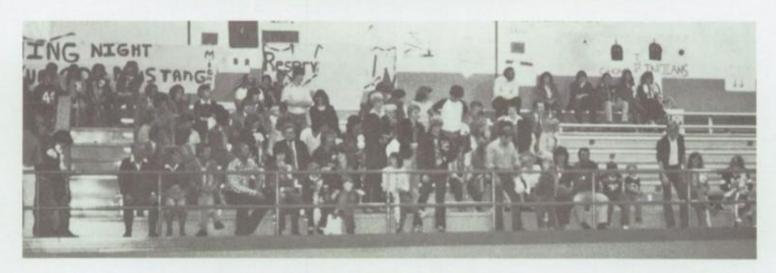

# Homecoming Activitites

Celebration for Homecoming '82 was kicked off with a bondfire on the night before the game. The cheerleaders led the crowd in the cheers and everyone was warmed by the spirit of the occasion.

After the game a reception was held for the football team, the homecoming court, and their families. It was a perfect end to a perfect night.

Mr. Bell greets Art Linkletter

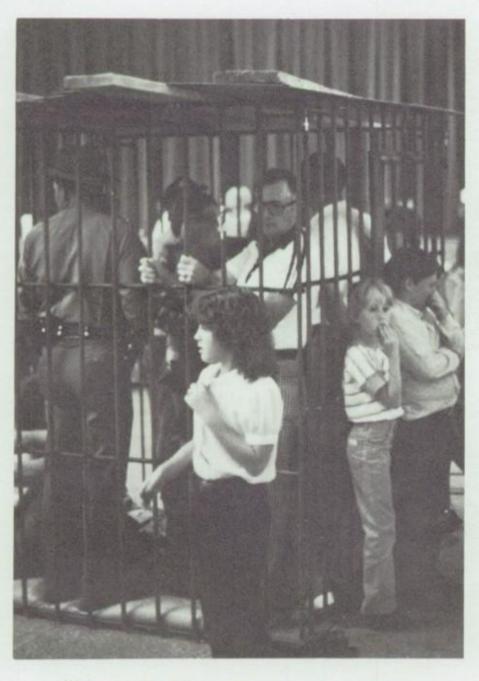

Art Linkletter receives a big MCS welcome from Lisa Munn

The tree of Life banquet was a fund raiser for Midland Christian. To be a member of the Tree of Life program a person must donate \$1,000 a year and will receive recognition with an individually inscribed golden leaf. People donating \$10,000 a year will have their name inscribed on a golden rock that will be placed on the schools Tree of Life in the main office.

#### Fall Fun Festival

The annual Fall Fun Festival was held in October with its regular booths, auction, and a barbeque dinner. The festival earned a large sum of money which will go to the L.A.C.E. organization.

We've got Mr. Moss right where we want him!

"Miss it! Miss it!"

#### MAGAZINE SALE

For its major student fund raiser this year, Midland Christian initiated a magazine sale. Students were encouraged to ask their relatives and friends to subscribe or renew subscriptions through the school, and of the subscription payment, forty percent of it would go to the school.

Several incentives were given to the individual students, including an AM/FM cassette stereo given to the top seller in the school. The stereo was won by Dyron Powell. He was also the only person in the school to sell over one thousand dollars in subscriptions. He and his parents were treated to a skiing trip in Colorado.

Other prizes were a video displayer, won by Brad Nix; a Sony Walkman received by Georgann Williams; a black and white television set won by Robert Franklin; and a Poloroid camera was given to Steven Hareless for his efforts.

Classes also received prizes, including first prize of a free day from school, won by Ms. Moore's second grade class. Mrs. Cooper's sixth gtade class won a half a day from class.

Everything totalled, the school received over forty-nine thousand dollars in the school. This is a record for a school in their first year in the program.

Come here it's my turn now!

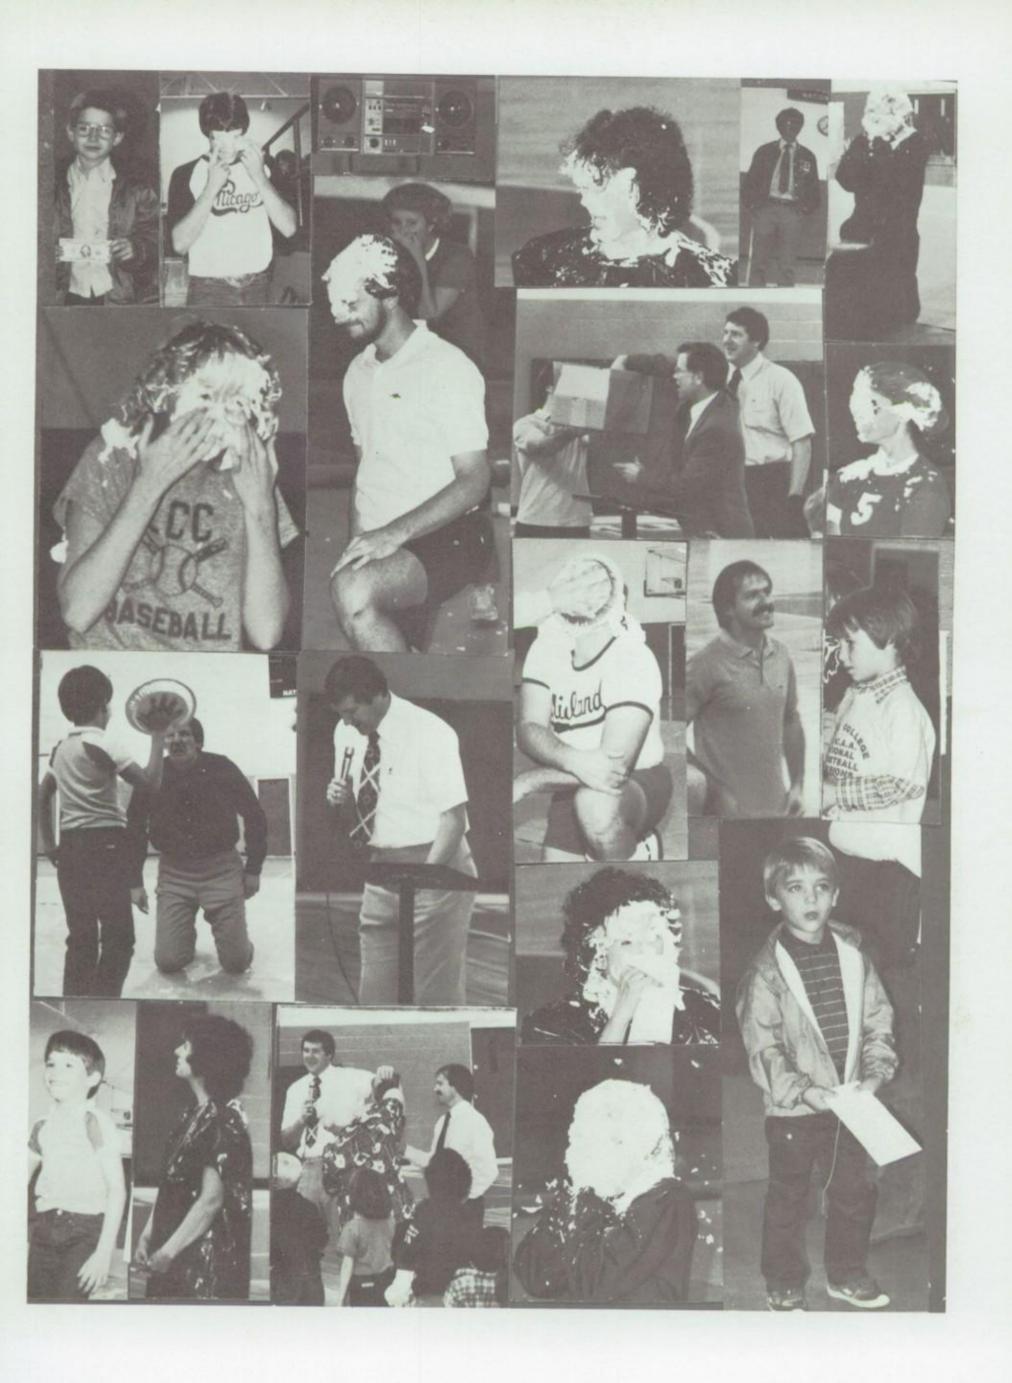

These kids really think they're getting all of these prizes.

How much longer do we have to stand here?
